

RDL-Overhead

Indoor and outdoor overhead lighting

Soffit lighting

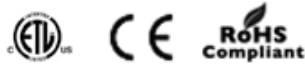

RDL-Overhead light offers a natural white illumination for many different environments.

- Exterior - soffit, vinyl canopy, accent lighting
- Interior - stockrooms, task lighting
- Refrigerated areas - walk-in coolers

In addition, RDL-Overhead is easy to install for both new construction and retrofit. The co-extruded plastic housing diffuses the light and protects the luminaire to provide long operating life. This serves to reduce maintenance costs, speed up payback periods, and increase energy savings.

SPECIFICATIONS:

Part Number	701912
Dimensions L x W x H	45.69 in x 2.25 in x 1.13 in
Lumens	1680 (at LED)
Nominal color temperature	5000 K
Color Rendering Index (CRI)	>75
Estimated product lifetime	>50,000 hours (at >70% of initial lumen output)
Temperature range	-25° C to 50° C
Protection class	IP66 (in process)
Power	17 W (AC)
Luminous efficacy	>125 lm/W (at LED)
Fastening	Mounting clips, two included with each unit
Power supply	SloanLED 24 VDC
Units per power supply	6
Product Warranty	Five-year limited

* Note: SloanLED list AC wattage to make estimating energy savings easier.
